About HTG:

Headquartered in Tucson, Arizona, the mission of HTG Molecular Diagnostics (HTG) is to empower precision medicine at the local level. The company's HTG EdgeSeq technology, which automates highly multiplexed molecular profiling of minute samples for next-generation sequencing, received its first US patent in 2014. Continuous improvements led to the 2017 launch of HTG's new direct-target sequencing chemistry for DNA analysis offered in the company's VERI/O services laboratory.
